Dear Coastwide Eye Surgery

I'm keen to apply for the Ophthalmic Assistant position at Coastwide Eye Surgery. With over six years as an optical dispenser, including time as an Assistant Manager for Oscar Wylee, I've built a solid foundation in patient care, diagnostics, and supporting clinical teams. This role feels like a great step forward as I aim to grow my career in healthcare.

From managing patient work-ups (like refractions and OCT's) to implementing customer-focused strategies, I'm dedicated to delivering quality care and learning everything I can along the way. I'm comfortable with tasks like visual acuity tests and assisting with minor procedures, and I'm more than ready to dive into new challenges, whether it's stock management or assisting with ops. Plus, working across multiple Central Coast locations is no problem for me.

Thank you for considering my application. I'm looking forward to the chance to contribute to Coastwide's patient-centred team and to keep growing in the field.

Sincerely,

Liam Moreland
